

POP UP ART GALLERY

Art for the Common Good

The historic Searles School and Chapel will be converted to an art gallery on November 25th. The Windham Arts Association is sponsoring a one-day Pop Up Art Gallery to provide artists a place to display and sell their work. Artists will be selling paintings, photography, sculpture, glass, pottery and fine craft during this event.

On I-93 (North or Southbound) take Exit 3 in New Hampshire and turn east on Route 111 toward Salem. Searles School and Chapel is on the right side of the road across from Lamson Road.
